MEMORANDUM FOR THE RECORD

25X1A SUBJECT: Trip Report for [redacted]
9 December 1963 through 12 December 1963

1. This report is prepared to briefly record the visitation of the undersigned to West Coast facilities of concern to OSA during the period of 9 December through 12 December 1963. The travel purpose was to escort representatives of DNRO during their inspection of organizations of concern to Program B. The individuals accompanied were [redacted] Executive Officer in DNRO, as [redacted] NRO Comptroller.

25X1A a. [redacted] proceeded independently to Los Angeles on 9 December to a meeting with General Greer, Director, Program A. It was indicated they spent the entire day with General Greer and discussed items of sole concern to Director, Program A.

25X1A b. During the evening of 9 December, the undersigned met with [redacted] and reviewed the relationship between Program A, Program B, and the Agency.

25X1A c. During the entire day of 10 December, the undersigned attended conferences at LAC with [redacted]. The principal persons involved were Mr. C. L. Johnson and [redacted].

25X1A The conference was addressed to financial procedures, reports, controls, and cost forecasts. The visitors appeared satisfied; however, [redacted] expressed a desire for unilateral receipt of monthly reports from LAC. This was brought to the attention of John Parangosky and Colonel Ledford on return to Headquarters. It would appear desirable to have [redacted] brief Director, Program B, on the results of his visitation, at which time this point can be explored.
